What's Included in your photo shoot

ALL BOOKINGS INCLUDE:

• A telephone, email or in-person consultation to plan your photo shoot.

• Your online questionnaire, contract and prep/inspiration guides.

• Reservation of your date in our calendar (or around the due month in the case of newborns, with date to be confirmed upon baby's arrival).

• Your planned photo shoot, including full use of our props and backgrounds.

The photographer's experience, time and talent with the full commitment to capturing your memories. Not just during your session but also the detailed hand-retouching and fine-art processing of the raw images.

• Your personalised Preview and Ordering appointment after your session to ensure that you are able to choose the right products for you.

• Our 100% time and dedication to you as our client to make sure you're looked after every step of the way with us.

• We only have a very limited amount of spaces per month to ensure each and every one of our clients gets the attention they deserve. Spaces often book up in advance. For newborn and maternity, we recommend you contact us to book your "due month" as soon as you can after your 12 week scan.

PLEASE NOTE: Unless otherwise stated, a photo shoot booking does not include any digital images or printed photographs. Your booking is for your photo session only. Images can be purchased separately after your session during your Preview & Ordering appointment. All prices are included in this brochure and includes something for every style.

Your Preview & Ordering Appointment

After your photography session, you will be invited back to our home studio for the reveal of your hand-finished images in your personalised Preview & Ordering appointment.

When it comes to ordering your images, we don't "hard sell" (once you meet us you'll see it's really not our style). This is why we provide you with our full price list when you contact us to book. This way, you get total freedom over how many images you choose and how you'd like to present them at home. We offer a variety of carefully sourced luxury print products for your images.

Forget a tiny watermarked gallery online, with Lemon Sky you will be able to view your gallery in large full resolution to see every detail. We can also help you design wall displays, chat about gifts for relatives and answer any questions you may have about preserving your memories.

We don't offer an online gallery as we believe you deserve to see your images at their very best in HD. Your reveal is yet another moment to cherish in the story of your family's life.

Browse and choose from digital high resolution print-ready images on an 8GB wooden USB (which we can prepare for you there and then to take home) to prints, albums and wall displays. We have crafted our stunning fine art collection to suit you and your home tastes perfectly.

We regret that we do not offer payment plans: Orders are to be placed on the day of your Preview & Order session. Please make sure all decision makers are present. We cannot guarantee images will be kept on file for ordering at a later date.

We look forward to meeting you! It is important to us how you preserve your memories and we are here to chat about it, so please don't hesitate to contact us if you have any questions.

"I honestly cannot recommend Lauren at Lemon Sky Photography enough. Lovely calm friendly environment, my little pudding settled in so well and the shoot was a breeze. I am so self conscious since birth and honestly thought I'd hate every pic I was in but I loved every single one. Lauren thinks of everything including drinks, hot and cold and snacks - every small detail thought of. The equipment, the props, there was such a huge range. The studio was lovely and warm making stripping baby off comfortable. I felt totally at ease and comfortable as did my partner and baby and we loved every second of it. The results were second to none"

Wall Art

CANVAS ART WRAPS

Solid backed all the way through (meaning no sag like a regular canvas) with wall protection and tight corners. A light glistening UV finish protects the image and finishes the look. Our Signature favourite.

30x30	SQUARE	£345
30x20	STANDARD	£345
40x30	STANDARD	£445

HD ACRYLIC WALL PIECE

30X20 ACRYLIC	£495
20X20 FRAMED SPHERE	£595
30X30 FRAMED SPHERE	£695

BURNISHED SHADOW FRAME

Meet our signature heirloom wall art. This exquisite piece is truly one of a kind. The shadow gap creates a unique floating effect. Finished with fine art paper and a giclee varnish to protect and preserve the portrait. Choose from pewter or golden framing. Sizing is image size, please allow for up to an additional 2" when measuring.

24X36 BURNISHED SHADOW FRAME	£695
40X30 BURNISHED SHADOW FRAME	£795

Framing Your Art

Our frames are especially chosen from only the best master craftsmen using sustainable methods to show-case your Lemon Sky portraiture in the best way. The beautiful mouldings are the perfect blend of a rustic, heritage style with ultra modern production. Instead of standard framer's glass, the HD acrylic we use has a higher clarity and no green tint. It is far better at filtering UV with increased fade resistance. It's also shatter-proof (very important in houses with little ones around). It's also lighter so much easier to hang on all walls.

NORDIC FRAME

The Nordic Frame in oak or natural grey offers a tactile, boho finish with natural wooden textures. The perfect option for modern interiors. Sizing shows "glass" size, please allow up to an extra 2" around for frame size.

24X24 APERTURE LAYOUT (4 IMAGES)	£395
20X20 SINGLE IMAGE MOUNT	£395

GRANDE FRAME

This show-stopper is a whopping 85mm deep, a stunning high-impact frame that will never go out of style. Walnut and dark grey options. Sizing shows "glass" size. Please allow for up to an extra 4" around for frame size.

28X24 SINGLE IMAGE MOUNT	£495
30X30 APERTURE LAYOUT (4 IMAGES)	£595

RUSTIC LADDER TRIO

Three rustic 8×8 inch Birch Blocks fixed within a bespoke set of wooden steps, each one uniquely built and finished by a master craftsman. FSC approved wood from responsibly forested trees. A tree is planted via our sustainability partner Ecologi when you purchase your ladder.

36X11 RUSTIC LADDER	£425
